Table of Contents

	page
CHAPTER 1: GENERAL INFORMATION	1
A. Introduction	1
B. Elements of a Comprehensive Rabies Control Plan	2
C. Legislative Authority / Relevant Laws and Regulations	2
D. Definitions	3
E. Agency Roles and Responsibilities	4
F. List Of Acronyms and Abbreviations	7
G. Organizational Chart of State Agencies Involved in Rabies Control	8
CHAPTER 2: HUMAN EXPOSURES	9
A. Risk Reduction and Education	9
B. Obtaining Baseline Information and Local Wound Management	10
C. Evaluating Risk of Exposure and Need For Post-Exposure Treatment	10
1. Evaluating Risk Of Exposure	
2. Risk Of Rabies Associated With Different Animals	
3. Behavior Of Animals With Rabies	
4. Post-Exposure Treatment	
D. Laboratory Testing of Animals	15
E. Promoting Pre-Exposure Prophylaxis	15
CHAPTER 3: DOMESTIC ANIMAL ISSUES	17
A. Local Animal Control Activities	17
B. Pre-Exposure Vaccination of Domestic Animals	18
1. Dogs and Cats	
2. Livestock	
3. Wild Animals and Wild Animals Crossbred to Domestic Animals	
4. Rodents and Lagomorphs	
5. Ferrets	
C. Management of Domestic Animals Exposed to Rabid or Suspected Rabid Animals	19
1. High Risk Animals and Special Word About Bats	
2. Dogs and Cats	

3. Livestock	
4. Wild Animals Crossbred to Domestic Animals	
5. Rodents and Lagomorphs	
6. Ferrets	
D. Management of Domestic Animals Exposed to other Domestic Animals	21
1. Dogs and Cats	
2. Livestock	
3. Rodents and Lagomorphs	
4. Ferrets	
E. Management of Domestic Animals that Expose Humans	22
1. Dogs and Cats	
2. Livestock	
3. Wild Animals Crossbred to Domestic Animals	
4. Rodents and Lagomorphs	
5. Ferrets	
F. Submission of Specimens to the Massachusetts Department of Public Health (MDPH) State Laboratory Institute (SLI) for Rabies Testing	24
G. Other Resources	24
H. Compendium of Animal Rabies Prevention and Control	24
CHAPTER 4: WILD ANIMAL ISSUES	25
A. Action of City / Town Law Enforcement	25
B. Action of Animal Control Officials (Dog Officers, Animal Control Inspectors, Animal Control Officers)	26
C. Local Health Department Issues	26
D. Action of Division of Fisheries and Wildlife (DFW)	26
